### Annual Membership Drive - Become a member of GivePetsAChance

GivePetsAChance provides monetary assistance for veterinary care for companion and service/assistance animals whose owners cannot otherwise afford veterinary services. Last year, our all-volunteer non-profit organization partnered with regional veterinary clinics to provide care for over 250 animals. GPAC provides medical care cost assistance, a Good Samaritan program for people who help lost or injured animals in need of medical attention, and referrals to other resources (rescues, low-cost spay/neuter clinics, affordable vaccination opportunities, etc.). Because we are an all-volunteer 501(c)3 non-profit organization, administrative costs are low allowing for 97% of all donations to go directly to caring for the animals.
